thoughts &amp; insights from Ordinarily Amazing®

"Miracles happen everyday, change your perception of what a miracle is and you'll see them all around you." *Jon Bon Jovi*

## Unexpected delights waiting for you to notice...

The **extraordinary** exists in our **everyday lives**. The Ordinarily Amazing moments are **treasures**. Everyone has their own unique OA moments. However, there is one thing every OA moment has in common...they **inspire** you. There is simply something magical about an OA moment - we can all think of a few.

Maybe it was the time you chose to **"be"** in the **moment**, to laugh, live and love in the present. Maybe it was when your family actually sat down at the dinner table and enjoyed each other's company. Maybe it was when you were overwhelmed and a kind stranger opened the door for you and simply said, **"breathe"**. Or possibly it was when your neighbor saw tears in your eyes and just offered a hug - no questions, **no judgment**, just a hug. Or maybe it was the day you chose to become the person you always wanted to be and stopped pretending to be anything else.

**Ordinarily Amazing moments** make you pause and think. Sometimes they **redefine who you** are in this world. What are your Ordinarily Amazing moments? Are you aware of the OA moments in your life? Yesterday? Today? **Be aware. Enjoy.**
